Latest news from Sanctuary

Launched on the 8 September 2019, Sanctuary is a fresh expression of Church serving the communities of Dalmeny and South Queensferry.

For obvious reasons we haven't been able to gather together in our usual meeting space, the hall at the Dalmeny Church Centre, however our life together goes on and this, we hope, will give you a flavour of what's happening and how you can get involved.

For something to grow it takes time but it's sure worth the wait...

The Virtual Gathering!
24 May 2020

At the heart of sanctuary is 'The Gathering' – a regular time when we gather (obviously) and take time to enjoy some high calorie goodies with some quality coffee. After this we then engage in some contemporary worship and celebration, listen to some scripture-based teaching from diverse speakers on topics chosen to enable us both to grow in our faith and to face the challenges of life in the 21st Century.

With the current restrictions we are planning to connect and gather online at our 'Virtual Gathering' at 3.30pm on Sunday the 24th May. We'll meet via Zoom and to access this simply email info@sanctuarysq.org , call Rebecca on 07799637219 or contact via our social media.

For a bit of fun and to remind ourselves of who we all are James is pulling together a photo presentation and if you want to be featured on it please send us a photo of yourself. Send to:info@sanctuarysq.org

Look forward to catching up on Sunday – O and don't forget your coffee and calories!!

life groups

With the launch of our 'Life Groups' at Sanctuary we have already begun to dig a bit deeper into the things of our faith as well as enjoying some great food and company.

When we were beginning to think about what course of study we might next pursue for the groups, we heard that since the beginning of 'lockdown' many more people across the world and our community had turned to prayer during this time.

What better then than we offer to host The Prayer Course online and not just for our own church groups but also the whole community. In partnership with some folks from Queensferry Church of Scotland we are inviting anyone and everyone to join us on this exciting 8 part course exploring the topic of Prayer.

All you need to do is to sign up and tune in via Zoom.

How do we do that I hear you ask ? Simple really just follow the Key info below...

Over 8 weeks we'll explore the following topics on various aspects of Prayer:

1 Why Pray?
"Lord, teach us to pray"
This first session of The Prayer Course, we'll unpack the importance of prayer and the different topics covered across the course.

2 Adoration
"Our Father in Heaven, Hallowed be your name"
In this session we'll explore how we can enjoy God's presence in praise and worship.

3 Petition
"Give us this day our daily bread"
In this session we'll unpack the significance of asking God in prayer.

4 Intercession
"Your kingdom come"
In this session, we'll explore the power and importance of praying on behalf of others.

5 Unanswered Prayer
"Your will be done"
In this session we'll be tackling the challenges and realities when our prayers aren't answered.

6 Contemplation
"On earth as it is in heaven"
In this session, we'll discover how spending time with God in silence can enrich our relationship with Him.

7 Listening
"Give us this day our daily bread"
In this session, we'll unpack the practical ways we can tune into hearing God's voice.

8 Spiritual Warfare
"Deliver us from evil"
In this session, we'll look closely at the ways we can pray God's kingdom come in the midst of a spiritual battle.

Someone once remarked about people of faith that sometimes they were so heavenly minded they were of no earthly use!

Here at Sanctuary we believe that faith is not only about loving God it's also about loving others and in loving God and others its about loving the world around us.

Therefore, we figure, that we have to do something about our faith and once the season of restrictions are past we know there will be lots of projects for us to get our sleeves rolled up to do something about – any ideas – let us know.
